The net capital gains arising on sale of individual scrips should be aggregated. Thereafter, tax shall be charged at a flat rate of 10% on the aggregate LTCG, as reduced by Rupees One lakh, for the purpose of tax computation.

Expenses debited to the P&L account considered under other heads of income and expenses relating to exempt income should be reported at item No. 7 and 8 respectively. The total of such expenses are added back to arrive at adjusted profit or loss at item No. 10.

Item No. 11 provides for addition of deemed incomes under various provisions. Item No. 12 is the residual column for entering any other type of addition under the head of 'business or profession' (from section 28 to section 44DA). Any other income which is not included in the P&L account such as salary, commission, bonus or interest earned by the individual/HUF from any firm as a partner, should be separately reported at item No. 13. The aggregate amount after adding back the deemed incomes and other incomes is captured as an auto-filled figure at item No. 14.

The profits and gains from business and profession computed as per special provisions on presumptive basis are reported separately at item No. 19. Profits in respect of each such activity should be reported as a separate line item.

The total net profit from business or profession is computed at item No. 20 as aggregate of net business income (item No. 18) and profits computed on presumptive basis (item No. 19).

In a case where income from activities covered under Rule 7, 7A, 7B and 8 is included in the P&L account, the net business income chargeable after applying these rules is required to be mentioned at item No. 21.
