Madam/Sir,

<u>Subject: Clarification in respect of goods sent/taken out of India for exhibition or on consignment basis for export promotion - reg.</u>

Various representations have been received from the trade and industry regarding procedure to be followed in respect of goods sent / taken out of India for exhibition or on consignment basis for export promotion. Such goods sent / taken out of India crystallise into exports, wholly or partly, only after a gap of certain period from the date they were physically sent / taken out of India.

- 2. The matter has been examined and in view of the difficulties being faced by the trade and industry and to ensure uniformity in the implementation of the provisions of the law across the field formations, the Board, in exercise of its powers conferred under section 168(1) of the Central Goods and Services Tax Act, 2017 (hereinafter referred to as the "CGST Act") hereby clarifies various issues in succeeding paragraphs.
- 3. As per section 7 of the CGST Act, for any activity or transaction to be considered a supply, it must satisfy twin tests namely-

- (i) it should be for a consideration by a person; and
- (ii) it should be in the course or furtherance of business.
- 4. The exceptions to the above are the activities enumerated in Schedule I of the CGST Act which are treated as supply even if made without consideration. Further, sub-section (21) of section 2 of the Integrated Goods and Services Tax Act, 2017 (hereinafter referred to as the "IGST Act") defines "supply", wherein it is clearly stated that it shall have the same meaning as assigned to it in section 7 of the CGST Act.
- 5. Section 16 of the IGST Act deals with "Zero rated supply". The provisions contained in the said section read as under:
 - 16. (1) "zero rated supply" means any of the following <u>supplies</u> of goods or services or both, namely:—
 - (a) export of goods or services or both; or
 - (b) supply of goods or services or both to a Special Economic Zone developer or a Special Economic Zone unit.

Therefore, it can be concluded that only such 'supplies' which are either 'export' or are 'supply to SEZ unit / developer' would qualify as zero-rated supply.

- 6. It is, accordingly, clarified that the activity of sending / taking the goods out of India for exhibition or on consignment basis for export promotion, except when such activity satisfy the tests laid down in Schedule I of the CGST Act (hereinafter referred to as the "specified goods"), do not constitute supply as the said activity does not fall within the scope of section 7 of the CGST Act as there is no consideration at that point in time. Since such activity is not a supply, the same cannot be considered as 'Zero rated supply' as per the provisions contained in section 16 of the IGST Act.
- 7. Since the activity of sending / taking specified goods out of India is not a supply, doubts have been raised by the trade and industry on issues relating to maintenance of records, issuance of delivery challan / tax invoice etc. These issues have been examined and the clarification on each of these points is as under: -
